# Ohio Traditional Notary Journal

**PRINTABLE WORKING RECORD | TRADITIONAL IN-PERSON NOTARIZATIONS**

## Purpose and scope

Ohio law does not require a journal for traditional notarizations. The Ohio Secretary of State strongly recommends logging every notarial act as a best practice. This paper journal is not an electronic journal and does not satisfy the electronic-journal requirements for online notarizations.

## Notary record

**Notary name** _____ **Commission number** _____

**Commission expiration** _____ **Primary county** _____

**Journal volume or date range** _____

## Use each entry to

- Record one signer and one notarial act per entry, promptly after the act.
- Describe the document without copying sensitive contents into the journal.
- Record the identification method. For an ID, note type, issuer, and expiration only.
- Keep the notarial fee separate from any agreed mobile travel fee.
- Secure the completed journal from unauthorized access, loss, or alteration.

## Privacy-minded recordkeeping

Do not record Social Security numbers, account numbers, access codes, full driver license or ID numbers, or detailed document contents. Follow any retention, access, and disposal duties that apply to your practice.
